Subject: [Draft] Consent Decree re: Gilt Edge Mine Site

Hello, Betsy and Joe. Attached please find a draft Consent Decree related to the Gilt Edge Mine Site between the United States/State of South Dakota and Coca Mines/Mr. Thomas E. Congdon. This draft Consent Decree responds to your July 2, 2015 letter proposing settlement of the claims against CoCa Mines and Mr. Congdon, and embodies our understanding of the terms and conditions upon which this matter may be settled by the parties. As you know, any proposed settlement must be approved by DOJ and EPA management, as well as by the District Court after a 30-day public notice and comment period. This is a draft document only; the State of South Dakota may have additional changes.

Thanks, and I look forward to hearing back from you in the near future.
